Hello Sarah,

By Foothill and Gladstone, there is illegal dumping happening in that area because of the encampments that are close to there. I understand that sanitation cannot enter the area of encampments but on the outskirts that is where the illegal dumping is at.

Here is the SR#: 1-1572526491

Like I always I value your input.

Thanks again for the update on San Fernando Rd. (Oswald and Cobalt) I will be sure to adjust it on CARE. Please let me know when you have confirmed the CARE+ locations for Thursday and the next cycle! Also, the priorities that you told me that were not being touched. No rush! I know you are catching up on your work.

Thanks,
